

How to Play

1. Setup:

- Place a small toy puppy (or picture of a puppy) somewhere hidden in the classroom.
- Prepare 4–5 “Value Cards” (Kindness, Prayer, Meditation, Helping, Trust in God).

2. Step 1 – The Search:

- Children are told: *“The puppy is lost! To find him, we must practice values.”*
- Divide the class into small groups. Each group must earn “Value Cards” by answering short questions or doing small acts (e.g., saying a kind word, sharing a prayer line, helping a friend pick up something).

3. Step 2 – Meditation Moment:

- Once groups collect all the Value Cards, everyone sits quietly for one minute of meditation, imagining sending love and safety to the puppy.

4. Step 3 – The Puppy Returns:

- After meditation, the teacher reveals the hidden puppy toy.
- The class celebrates together, saying aloud: *“Be kind, pray, and trust God—happiness will always return!”*
