English Version – Physical Class Game – The Success Train! - SSSSB Story 096

How to Play

Ask the children to stand in a line like a train.
The train can only move forward when the children collect the **4 Success Tickets**: **Effort. Perseverance. Prayer. Inner Voice**
The teacher reads a situation:

- "You keep practicing even when something is difficult." Children shout: **"Perseverance!"**
- "You ask Swami for help before a test." Children shout: **"Prayer!"**
- "You complete your homework carefully." Children shout: **"Effort!"**
- "You know something is wrong and choose the right thing." Children shout: **"Inner Voice!"**

Every correct answer allows the train to move one step forward while everyone says:
Chug, chug, chug, we're on our way, With Swami's help we'll shine today!

Funny Twist

If someone answers incorrectly, everyone must freeze and make a sleepy face while saying: **"Oops! I forgot my Success Ticket!"**

Finish

When all four tickets are collected, everyone raises their hands and shouts: **"Effort, Perseverance, Prayer, and Inner Voice... That's the Soul Blossom way to succeed!"**
