Step 2 – The Challenge

- Teacher tells short scenarios:
 1. “You have lots of money, but you lie and cheat. Which basket helps you most?”
 2. “You are strong and healthy, but you use your strength to bully others. Which basket helps you most?”
 3. “You are kind, honest, and courageous. Which basket helps you most?”

Children run to the basket they think is right.

Step 3 – The Discovery

- After each round, the teacher explains:
 - Wealth without character → wasted.
 - Health without character → misused.
 - Character → makes wealth and health grow wisely.

Step 4 – Celebration

- All children receive a **Character sticker** as a “life treasure.”
- Together they shout: “**Character is the true treasure!**”
