Materials: A soft toy parrot (or paper parrot picture, or drawing of a parrot), slips of paper with simple tasks written on them

How to Play

1. **Circle Time:** Children sit in a circle. One Child acts a Parrot and place him in the middle.
2. **Task Slips:** Each slip has a small challenge (e.g., “Pour water into a cup carefully,” “Walk slowly balancing a book,” “Draw a star neatly,” “Serve a friend a pencil without dropping it”).
3. **Pick & Perform:** One child picks a slip and performs the task.
 - If they rush and make a mistake, the parrot “speaks”: “Patience, patience! Stay calm and try again.”
 - If they do it carefully and patiently, the parrot “rewards” them: “Kraa Kraa ... Well done! Patience brings success! Sairam!”
4. **Pass the Parrot:** After each turn, the parrot is passed to the next child.
