

🇬🇧 Physical Class Game – Grandparents’ Treasure – Live the Values! - SSSSB Story 078

Setup: Prepare small “**Wisdom Cards**” with simple values or actions, such as *Kindness*, *Respect*, *Help Someone*, *Speak Gently*, *Share*, *Serve*, *Listen to Elders*, and *Compassion*. Children stand in a circle.

How to Play:

1. Let the children sing a bhajan while passing a small “**Treasure Box.**”
2. When the music stops, the child holding the box picks one Wisdom Card.
3. The child quickly **acts out the value** without saying its name. For example, helping an elderly person walk, sharing food, speaking respectfully, or comforting someone.
4. The other children guess the value.
5. After guessing, everyone joyfully says together: “**Listen to wisdom — live the values!**”
6. Continue until several children have had a turn.

Joyful Ending: Ask everyone to name **one good teaching from their parents or grandparents** that they can practise in daily life.
