

🇬🇧 Physical Class Game – We All Serve Together! – SSSSB Story 013

Setup:

- Prepare cards or pieces of paper with names and short clues:
  - Trees/Plants: Coconut, Banana, Mango, Teak, Aloe Vera, Neem.
  - Animals: Cow, Dog, Horse, Elephant, Bird, Cat.
  - Humans: Teacher, Doctor, Farmer, Parent, Child.
- Prepare “Service Stars” (paper stars).

How to Play:

1. Children sit in a circle.
2. One child picks a card (Tree, Plant, Animal, or Human) shows the group.
3. The group gives short clues about how that card serves others. Example:
  - “You give milk” → Cow.
  - “You are sweet, you give nutrition” → Mango.
  - “You teach lessons” → Teacher.
  - “You grow food” → Farmer.
4. The child guesses who they are.
5. If correct, they earn a Service Star.
6. Bonus: The child adds one sentence about how *they themselves* can serve better (e.g., If the card is a Farmer, the child says: “I use organic fertilizer instead of chemical fertilizer, grow healthy grains and serve people”).

**Joyful Ending:** When everyone has played, the group claps and sings together: “*Trees, plants, animals, and humans — we all serve better every day!*”
