

🇬🇧 Physical Class Game – Guess the Soul Blossom Secret - SSSSB Story 067

How to Play

1. **Circle of Curiosity** Children sit in a circle. Two volunteers play the roles of **Amani** and **Veena** (the curious friends).
2. **Secret Cards** Prepare small cards with simple activities or values from the SSSSB classes written on them, such as:
 - Singing together
 - Playing joyful games
 - Helping a friend
 - Speaking kindly
 - Listening to a story about values
 - Smiling often
3. **Act It Out** One child picks a card secretly and acts it out (without speaking). For example, pretending to sing, share a pencil, or smile kindly.
4. **Guessing** The "curious friends" (Amani and Veena) must guess what the secret activity or value is.
5. **Reflection** After each round, the group discusses:
 - *Why is this activity or value important?*
 - *How does it make us feel when we do it?*
