

🇬🇧 Physical Class Game – Voices and Choices - SSSSB Story 053

How to Play:

- Circle Time:**
 - Children sit in a circle.
 - One child (the "Decision-Maker") sits in the middle.
- Voices Around:**
 - Each child around the circle gives the Decision-Maker one piece of "advice" (fun examples: "Be a singer!", "Play football!", "Open a shop!", "Be a teacher!").
 - The advice should be short and joyful.
- Quiet Moment:**
 - The Decision-Maker closes their eyes for a few seconds - Prays to God to help them take a wise decision.
 - They think: *"I listened to everyone. What feels good in my heart?"*
- Choice:**
 - The Decision-Maker opens their eyes and says: "I choose ____ today, because it makes my heart happy."
 - Everyone claps and celebrates the choice.
- Repeat:**
 - Another child becomes the Decision-Maker, and the game continues.
