

Setup:

- Draw or place 4 big paper footprints on the floor, each labeled: *Pure Thoughts*, *Truthfulness*, *Kindness*, *Prayer*.
- At the end of the footprints, place a bright star or flower symbol called “**Divine Grace.**”

How to Play:

1. Students line up at the start.
2. One by one, each child steps onto a footprint and says aloud how they can practice that value (e.g., “I will help my friend with homework” on *Kindness*).
3. After sharing, they move forward to the next footprint.
4. When they reach the final star/flower, the whole class claps and says together: “**Goodness brings Divine Grace!**”
5. Continue until all students have walked the path.

Joyful Ending:

- Everyone gathers around the star/flower and chants: “*Pure thoughts, truthfulness, kindness, and prayer — our steps to grace!*”
