

Setup

- Place **four stations** around the classroom or garden:
 - Helping Hands** (Puppy helps the boy)
 - Messy Kitchen** (Kitty makes a mess)
 - Sharing Meal** (Puppy invites Kitty)
 - Guarding Home** (Puppy and Kitty protect the house)
- Prepare **picture cards** or **props** for each station (e.g., lunchbox, broom, food bowl, toy house).

How to Play

- Divide children into two teams** — Team Puppy and Team Kitty
- Each team visits all four stations in order.
- At each station, they act out the scene and answer a short **Kindness Question**:
 - Helping Hands*: “How can you help a friend who falls?”
 - Messy Kitchen*: “What should you do if you make a mess?”
 - Sharing Meal*: “How can you share with others?”
 - Guarding Home*: “How can you protect and care for your family?”
- Teams earn **Kindness Tokens** (paper hearts or stars) for good answers and teamwork.
- At the end, everyone gathers in a circle and says together: **“Kindness makes our garden bloom!”**
