

How to Play

1. Children stand in a circle.
2. One child holds the "Parrot of Friendship" (ball or toy).
3. The child says one friendly way to welcome a visitor, then passes the parrot to another child.

Examples: "Sai Ram! Welcome!" "May I help you?" "Have a nice day!" "Thank you!" "Please come this way." "Would you like some help?"

4. The next child repeats a new friendly action or phrase and passes the parrot on.
5. If a child cannot think of one, the whole group helps by suggesting ideas together.

Fun Challenge

When the Guru calls "**Visitor!**", everyone must find a partner and act out one act of kindness:

- Giving directions
- Welcoming a guest
- Sharing information
- Helping someone carry something
- Greeting in another language

Grand Finale

All children spread their arms like the parrot's wings and say together:

"One World!" "One Family!"

"Kindness is a language everyone understands!"
