

🇬🇧 Physical Class Game – Garden of Values - SSSSB Story 056

How to Play

- 1. Setup:**
 - Draw or place four big flowers (paper cut-outs or drawings)
 - Each flower represents a value: **Kindness, Honesty, Respect, Hard Work.**
- 2. Story Connection:** The teacher says: *"Always practice values, no matter what. Let's grow our own garden of values!"*
- 3. Situations:** The teacher (or a child leader) calls out a situation, for example:
 - "Your friend drops their books."
 - "You feel shy in a new class."
 - "You forgot to do your homework."
 - "A teacher asks for help."
- 4. Children's Action:**
 - Children quickly run to the flower that shows the value they would use.
 - Example: For "friend drops books," children run to **Kindness**.
 - They explain in one sentence what they would do.
- 5. Winning:** Everyone who chooses a value and explains gets a cheer. The garden "grows" as more children practice values.
