

🇬🇧 Physical Class Game – The Helpful Puppy Call - SSSSB Story 038

How to Play

Roles

- One child plays the **puppy**.
- One child plays the **tourist in need**.
- The rest are **courtyard families**.

Setup

- The “tourist” pretends to be tired, hungry, or lost (sitting quietly).
- The “puppy” notices and gives a **signal** (barking sound, clapping, or saying “Help!”).

Action

- When the families hear the signal, they must quickly gather and decide how to help the tourist.
- They can offer water, food, or kind words (using props or imagination).

Reflection Round

After each play, children share how it felt to:

- Be the tourist receiving help.
- Be the puppy giving the alert.
- Be the families offering kindness.
