

How to play

Children stand in a circle.

Prepare **Situation Cards** such as: “*Friends are gossiping,*” “*Everyone is teasing someone,*” “*Your friends tell you to lie,*” “*Someone needs help,*” or funny ones like “*Everyone says you must walk like a chicken to be cool!*”

One child acts a monkey, **Momo** and picks a card. The other children shout: “**Come on, Momo! Join us!**”

Momo has **5 seconds** to choose: **follow the crowd** or **do what is right**.

If Momo makes a poor choice, everyone does a funny monkey dance and calls: “**Oops, Momo! Try again!**”

Another child, who acts an elephant, **Eli** enters with a Value Card: **Kindness, Truth, Respect, Love, Helpfulness, or Be Yourself**.

Momo repeats the scene using that value.

When Momo makes the right choice, everyone jumps and shouts:

“BE YOURSELF — TRUE HAPPINESS WILL FOLLOW!”
